

LIGHTBORN

THE BEGINNING

Hello!

What you're about to read is the prologue of my two original characters, Avrial and Annora, and how they come to meet at the lightborn camp. In this world, a special incident gave several kids the ability to create weapons out of light. It has taken me 5 years to tell their story, so I hope you enjoy!

To learn more about these characters, please consider checking out @avnnora on Instagram.

Thank you! - Alison Beeman
